

THE CENTRAL HOUSE

LAVAPIÉS

Do you know The Terracita?

At 16 Encomienda Street, next to Plaza de Cascorro we have a space for you. We're always thinking about how much we like being with our friends telling the same anecdotes as always and watching ourselves dance with no shame.

That's why we're reserving a space for you and your people, The Terracita, so you can be with them when you have to celebrate your birthday, your anniversary, your undergraduate degree, first communion, your stag party or organizing an exhibition or whatever you can come up with. You have 130m² of space and capacity for up to 90 people in the heart of Madrid.

We'll make it easy for you and we'll give you everything!
A bar, food, music, photographer, big TV screens, etc.
